## Rockin' All Over The World

---

Our next song was written by [John Fogerty](#) in 1975, formerly of [Creedence Clearwater Revival](#).

[Status Quo](#) recorded their own, heavier arrangement of the song for their 1977 album [Rockin' All Over the World](#). They used it at [Live Aid](#), to begin the event and it became an unofficial anthem for the event when the [BBC](#) used it to advertise their TV coverage.
