Mike McClellan

Strum: D dU and D dU udU

Intro: C - F - G - C

Verse 1

I [C] don't care for [Dm] dancin' and I'm [G] not much in [C] talk
At [F] least 'tis never [G] been that [C] way
I [Am] know it's not [E7] easy to [Am] understand my [C] ways
When there's [F] so much [G] that I ought to [C] say
When I'm [F] standin' right before you, I [C] feel like a fool
[F] Blinded by the light in his [C] eyes [G]
No, and [Am] love's light steals the [D] dark night in his [G] soul [G7]

Chorus:

And The [C] one I love, she shines like silver
The [F] one I love, she glows like moonlight
The [G] one I love, Is warm like sunshine
The [C] one I love

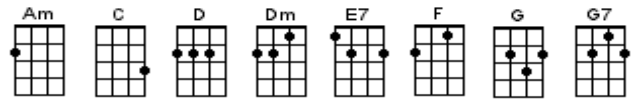

Chorus:

Yes The [C] one I love, she shines like silver
The [F] one I love, she glows like moonlight
The [G] one I love, Is warm like sunshine
The [C] one I love

Verse 2

I don't [C] care for [Dm] parties and I [G] like a quiet [C] life
I [F] never felt at [G] ease within a [C] crowd
I've [Am] never found it [E7] easy to [Am] live the way I [C] do
Sometimes a [F] song's the only [G] time I think out [C] loud
When I'm [F] standin' right before you, I [C] feel like a fool
Who [F] never finds the right words to [C] say [G]
No, and [Am] his chance goes with the [D] last dance of the [G] night [G7]
