Nc C Am  
 Love is all about chemistry.  
 C Am C Am C  
 Isn't something you go off to school to learn  
 Am C Am  
 Isn't maths or ancient history  
 C Am C Am C  
 It's the kind of thing that comes down to simple terms  
 Am Dm G  
 It's not about you, it's not about me  
 C Am C Am C Am C  
 Love is all about WE, yes it's all about WE

Nc C Am  
 Want to take you to that great unknown  
 C Am C Am C  
 Show you to a place you've never been  
 Am C Am  
 Down the road where only lovers go  
 C Am C Am C  
 But before we leave, I wanna repeat again  
 Am Dm G  
 It's not about you, it's not about me  
 C Am C Am C Am C  
 Love is all about WE, Yes it's all about WE

## Bridge

C G F  
 With a string you can tie a knot  
 C G F C  
 But you've got to have something to tie it to  
 G F  
 Otherwise all you've got is a knot  
 C Dm G  
 When it ties me to you, it's a whole new thing  
 C Am C Am C Am C  
 Love is all about WE, Yes it's all about WE
