Leave Him In The Longyard - 13

Kelly Dixon

Intro: C(4) (4) (4) (4)

C
 Yes he's looking kind of jaded and his sight is not the best
 C7 F
 And the hair around his muzzle's turning grey
 G7
 He has seen a hundred musters and I think it's only fair
 C
 That we leave him in the longyard here today

C
 He was broken in the sixties maybe sixty three or four
 C7 F
 Never faltered always seemed to be on hand
 G7
 Never have I seen him beaten by a bullock in the bush
 C
 And at a night watch he was pick of all the land

C
 So leave him in the longyard do not rush him
 G7
 Leave him out there with his mate the baldy bay
 Leave him there till after smoko and we'll catch him
 C
 Pull his tail and turn him out today

C
He's entitled to some kindness in return for all he's been
C7 F
Now he's failing and his step is getting slow
G7
Let him squander his last summers

By the river with his mates
C
In the paddock where the sweetest grasses grow

C
So leave him out there in the longyard do not rush him
G7
Leave him out there with his mate the baldy bay
With his mates that he can graze he can laze with
C
Leave him out there and we will turn him out today

Repeat last verse

G7 C
Leave him there and we will turn him out today
