

Road To The Isles

G Em
 A far croonin' is pullin' me away
 C D
 As take I wi' my cromack to the road
 G Em C
 The far Coolins are puttin' love on me
 G D G
 As step I wi' the sunlight for my load

Chorus

G Em
 Sure by Tummel and Loch Rannock and Lochabar I will go
 C D
 By hearther tracks wi' heaven in their wiles
 G Em C
 If it's thinkin' in your inner heart the braggart's in my step
 G D G
 You've never smelled the tangle o' the Isles
 G Em C
 The far Coolins are puttin' love on me
 G D G
 As step I wi' my cromack to the Isles

G Em
 It's by Shiel water the track is to the west
 C D
 By Aillort and by Morar to the sea
 G Em C
 The cool cresses I am thinkin' of for pluck
 G D G
 And bracken for a wink on Mother's knee

Chorus

G Em
The blue islands are pullin me away
C D
Their laughter puts a leap upon the lame
G Em C
The blue islands from the Skerries to the Lewis
G D G
Wi' heather honey taste upon each name

Chorus

G Em
Sure by Tummel and Loch Rannock and Lochabar I will go
C D
By hearther tracks wi' heaven in their wiles
G Em C
If it's thinkin' in your inner heart the braggart's in my step
G D G
You've never smelled the tangle o' the Isles
G Em C
The far Coolins are puttin' love on me
G D G
As step I wi' my cromack to the Isles
