Well I see skies of blue clouds of white
Brightness of day, dark sacred night
And I think to myself what a wonderful world

The colours of the rainbow so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands saying "How do you do?"
They're really saying "I...I love you"

I hear babies cry and I watch them grow
They'll learn much more than we'll ever know
And I think to myself what a wonderful world

Someday I'll wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney tops
That's where you'll find me

Somewhere over the rainbow blue birds fly
Birds fly over the rainbow oh why oh why can't I? I?
