

All I want for Christmas is a Unicorn

(Chorus)

Oh [C]please pretty please

[F]Mr Santa [C]Claus

[C]All I want for Christmas

[G7]Is a unicorn

[C]I've tried so hard to be good

As [F] good as I can [F7]be

So [C]please leave a unicorn [G7]under my [C]tree

(Chorus)

[F]I don't have a chimney

But [C]Santa don't you mind

I'll [F]leave the front door open

just [G7]bring him inside

[F]tie him to the Christmas tree

Make[C] sure he's tied up tight

We [G7]don't want him eating our Christmas dinner

In the middle of the night

(Chorus)

[F] I will be so happy

When [C] I come down the stairs

And [F]see my little unicorn

[G7]Waiting for me there

I'd [F]love him, take him for walks

Whisper [C] secrets in his ears

And [G7] give him lots and lots of hugs

Just you wait and see.

(Chorus)
