 A-----  
 E-----0---3---1---0-----  
 C---0-----2-----  
 G-----0-----

There's a new world somewhere  
 They call the promised land  
 And I'll be there someday  
 If you will hold my hand  
 I still need you there beside me  
 No matter what I do  
 For I know I'll never find another you

There is always someone for each of us they say  
 And you'll be my someone forever and a day  
 I could search the whole world over  
 Until my life is through  
 But I know I'll never find another you

## Refrain

Am F C G C  
It's a long long journey so stay by my side

Am G  
When I walk through the storm

F C F G  
You'll be my guide, be my guide

C F D G  
If they gave me a fortune my pleasure would be small

### 3. Leave Him In The Longyard

Kelly Dixon

Intro: C(4) (4) (4) (4)

C  
Yes he's looking kind of jaded and his sight is not the best

C7 F  
And the hair around his muzzle's turning grey

G7  
He has seen a hundred musters and I think it's only fair

C  
That we leave him in the longyard here today

C  
He was broken in the sixties maybe sixty three or four

C7 F  
Never faltered always seemed to be on hand

G7  
Never have I seen him beaten by a bullock in the bush

C  
And at a night watch he was pick of all the land

C  
So leave him in the longyard do not rush him

G7  
Leave him out there with his mate the baldy bay

C  
Leave him there till after smoko and we'll catch him

C  
Pull his tail and turn him out today

C  
He's entitled to some kindness in return for all he's been

C7 F  
Now he's failing and his step is getting slow

G7  
Let him squander his last summers

By the river with his mates

C  
In the paddock where the sweetest grasses grow

C  
So leave him out there in the longyard do not rush him

G7  
Leave him out there with his mate the baldy bay

With his mates that he can graze he can laze with

C  
Leave him out there and we will turn him out today

Repeat last verse

G7 C  
Leave him there and we will turn him out today

## 4. Song And Dance Man

Mike McClellan

Intro: C(4) F(4) G(4) C(4)

C G  
 I'm used to living by myself, always on the road  
 F G C  
 Making light of other people's woes  
 C G  
 Don't need to take much more than just a song or two  
 F G C  
 And even a smile can lighten up the load

Chorus

C G  
 I'm just a song and dance man goin' from town to town  
 F G C  
 Playin' one night shows and country rodeos  
 C  
 I'm just a song and dance man, livin' on a smile  
 F G C  
 I'll share your laughter anywhere I go  
 C G  
 I don't care too much for cities ain't seen one I'd call home  
 F G C  
 The only dust they've got there's just plain dirt  
 C G  
 And no one takes you in unless they want you off the streets  
 F G C  
 I get the feeling some folks fear a smile would hurt ... Chorus

## Refrain

Am D  
I gave up looking for answers a long time ago  
F C F  
Life's just taking chances  
C Am D G  
Ask any dancer, one foot wrong and it's undone

C  
I won't ask much of your time  
G  
Or that you recall my name  
F G C  
Fame is just a momentary curse  
G  
But if you recall a song or two that lingers when I'm gone  
F G C  
Then I guess a song and dance man could do worse

## Chorus

C G  
I'm just a song and dance man goin' from town to town  
F G C  
Playin' one night shows and country rodeos  
C  
I'm just a song and dance man, livin' on a smile
