2. Stumblin' In

Suzi Quatro & Chris Norman

Chorus

(Tacet) Our love is alive, and so we begin
 Foolishly laying our hearts on the table stumblin' in
 Our love is a flame, burnin' within
 Now and then firelight will catch us stumblin' in

 Wherever you go, whatever you do
 You know these reckless thoughts of mine are following you
I'm falling for you, whatever you do
'Cos baby you've shown me so many things
that I never knew
 Whatever it takes baby I'll do it for you

Chorus

You were so young and I was so free
I may have been young, but baby that's not
what I wanted to be
 Well you were the one **Oh why was it me?**
 'Cos baby you've shown me so many things that I've never seen
 Whatever you need baby you've got it from me
